

Super II™

STANDARD EFFICIENT, HIGH-PERFORMANCE PUMP SERIES

Performance for a lifetime.

Power your system with the high-performance Super II pump series from Hayward®. These efficient, large-capacity pumps are built to last and engineered to perform even under the most demanding conditions.

Performance features include full-flow hydraulics that allow greater flow at a lower cost of operation and a housing design that makes it as quiet as it is dependable.

Convenience features include a see-through cover so pool owners know exactly when to empty the extra-large debris basket.

Super II Pumps... the preferred choice.

Save Electricity and Money
with high-efficiency single-
speed and two-speed models

See-Through Cover
so pool owners know exactly
when to empty the extra-large
debris basket

SUPER II FLOW VS. TOTAL HEAD

Super II 155-Cubic-Inch Basket

is more like a bucket. The Super II Pump Series features impressive leaf-holding capacity. Rigid construction includes load-extender ribbing for free-flowing operation, even under extra-heavy debris loads.
